Stacker truck with pallet truck function able to overcome the obstacles

## **ELT 30**

Stacker truck with pallet truck function able to overcome the obstacles

ELT 30 by Samag is a stacker truck, with built-in pallet truck function, suitable for picking and storage operations with lifting function of the stabilisers to overcome obstacles.

#### STRENGTHS:

- AC alternating current traction motor ensuring greater power and maximum efficiency with less maintenance
- Traction battery and driving type elements 320 Ah 24 V
- The central tiller arm and the spring loaded wheel with 5 touching points and stabiliser lifting allow keeping a constant contact with the floor and reducing driver arm vibrations, as well as minimum steering effort even with full load
- Stabiliser lifting to overcome obstacles

#### **UPON REQUEST:**

- Other lifting capacities
- Fitting of built-in charger
- Operator transport platform
- Other options

**✓** SPECIAL DIMENSIONS UPON REQUEST

### **SOME OPTIONALS**

**OPERATOR TRANSPORT PLATFORM** 

METALLIC/GALVANISED VERSION

SCALE/PRINTER
